“Vignoble des Verdots is fully committed to an innovative approach to environmentally responsible and sustainable viticulture. The estate works to serve its terroir, soil and nature, while aiming to achieve carbon neutrality before 2030. We cultivate tradition and what is most precious in it, while breathing new life into it.”

A HISTORY

Made with the greatest precision, matured in vats in the traditional way, Clos des Verdots wines are the perfect expression of our terroir.

These are supple, fruity wines to be drunk young. They are perfect to be shared for convivial moments with friends and family.

This wine is made from a blend of 65% Cabernet Sauvignon, 20% Merlot, and 15% Malbec.

TASTING NOTE

A clear, brilliant and limpid robe of a pretty powdery pink. An expressive nose with fresh, fruity and floral notes.

A well-balanced palate with a nice freshness, a pleasing fruitiness and a soft finish.

FOOD AND WINE PAIRING

Serve chilled in summer. This wine will be appreciated as an aperitif. It is also a perfect accompaniment to a Caesar salad, a meat barbecue or salmon à la plancha.
